Club News

- ◆ We welcome back teaching pro Tori Pitsch! Tori is now teaching a few hours each week. We wish her continued success at FCRC!
- ◆ Have you noticed you're seeing the ball much better? It could be your improved game or it might be the brand new light bulbs we installed over the summer to get ready for the indoor season. We hope it was a *bright* investment for your game.
- ◆ "What's that? Ah -- *Playoffs?* Don't talk about -- *playoffs?!* You kidding me?!" No, Jim, we're not kidding. We are hosting high school girls sectional and sub-sectional matches on October 3, 4, & 6. They usually begin around 9am. Come on out and see some exciting tennis playoffs!
- ◆ Don't love your tennis game? That's because you need a longer courtship. Reserved Court Time (RCT) gives you a guaranteed time each week during the busy indoor season. We currently have some "prime-time" courts available on Tuesday evenings and weekend mornings. Sign up now and improve your love for the game!

Tennis Court Eavesdroppings

Racquet to Upset Tennis Player: "Hey, man, get a grip! Your game is slipping. You better go see the guys in the proshop for a new grip. I hear they'll even put it on for you."

Abused Racquet to Tennis Player: "You're higher strung than I am. You better go see Dave, Mark, or Dean and get some fresh strings for the indoor season."

Thank You!

A huge thank-you to all who participated in the 2011 Mercedes-Benz Dealer Championships in July. The event benefited St. Joseph's Food Pantry. Congratulations to Jacques Verbauwhede and Dave Risgaard who won the event and will compete in the sectional championships in Arizona in November.
